

A very faint, blurry background image of a book cover. The cover has a light beige or cream color with a subtle, slightly textured appearance. There are faint, darker, reddish-brown and white decorative elements, possibly floral or geometric, but they are not clearly defined. The overall effect is that of a watermark or a very out-of-focus photograph.

HERE'S SUN IN YOUR EYE...

Well, that was Parents' Weekend. The rather dry luncheon, notwithstanding, the Tufts game was reasonably exciting, considering the overwhelming score by which we won; the cocktail party was cozy, the cocktails a bit tart; the dinner was good; and the Kingston Trio was spicy even though the sound system was not so "hot".

We do not know how many of the predicted 5,500 people arrived but we saw a lot of people enjoying themselves. R.C.E.

THE PANTHERS BOUND ON...

We've done it again! Last Thursday the Gryphon football team, coached and quarterbacked by Jim Perneski, passed their way to a 13-0 victory over Leonard Hall. As of now we are on our way to a highly successful season, with a 2-1 record. Next game - Tuesday. The more, the merrier. Dave Nichols

UGLIER THAN THOU...

The annual Ugly Man Contest is being conducted on campus this week, and once again the Gryphon hat is in the ring. This year we have been fortunate in obtaining Professor Dowling's consent to be our candidate. His popularity and reknown (through History 11) are definite assets on which we hope to capitalize. Almost one-fourth of the Gryphons have been and will be working in behalf of our man, as is evidenced by the Dravo banner. (Oh! Say, can you see, by the dawn's early light, what so proudly we hailed at the twilight's last gleaming?) Messrs. Nichols, Keyser, Phelps, Rothenberger, Bradley, Rettew, Morse, Rice, and Gott fervently hope the elements will permit their handiwork to last out the week.

Despite these labors (and future ones) the Gryphon Society cannot possibly achieve victory without the support of all members. We suggest that everyone refrain from direct contribution to the Campus Chest, and instead donate whatever he can afford (the usual Campus Chest quota is, I believe, \$4.00) to this endeavor. Messrs. Keyser, Nichols, Rothenberger, Rettew, Robinson, Engler, and Phelps will be accepting your donations. With your full support the Gryphon Society can once again boast of sponsoring Lehigh's Ugliest Man!

RUTGERS TRIP

Anyone who is interested in going to the Rutgers' game next weekend, see George Dolan as soon as possible. Anyone who will be driving or who can drive, likewise, please see George. If we have no volunteers for driving we have no trip. That's the situation as of now.
